

Toodle Terminology.

Toodle	Is your personal video message
Toodler	A person who has a “Last Toodles” account
No lock in contracts	Stay as long as you want with no lock in contracts. Move easily between packages depending on your needs
Upgrade your Package	Need more Toodles? Move to the next package for more access. Fees are pro-rata on your next billing cycle
Downgrade your Package	Move to a smaller package with lower number of Toodles. Fees are pro-rata on your next billing cycle
Toodle Trustee	This is the person you entrust to appropriately distribute your Toodles post your life according to your wishes
Secondary Toodle Trustee	Same as <i>Toodle Trustee</i> but optional. This is not mandatory
Release workflow	Toodle Trustee activates Request to Release Workflow to initiate the process post completion of life as requested by the Toodler
Frequently Asked Questions	These are common questions raised by our active community. Questions and answers are added frequently to this page for knowledge sharing purposes
Cancel Membership	Your billing subscription is cancelled. You will have until the next billing cycle this time to download your Toodles. After this time your Toodles will be deleted. Your profile will remain active though unable to upload your Toodles until you re-activate your account
Close your Account	The account will be closed at the next billing cycle. Toodles will not be accessible after this time.
